- Enhanced security
- Connected and cloud managed
- Delivered with 2 Conferencing Buttons, can also be used with Desktop App.
- USB conferencing device
- 4K ultra-HD camera with autoframing, ideal for small to medium sized

Combine the Videobar VB1 all-in-one USB conferencing device with ClickShare Conference CX-30 for an optimal set-up in smaller conference rooms. This bundle is ideal for huddle spaces, small and medium-sized conference rooms. The Videobar VB1 ensures premium audio and video, so everyone – remote and in-office team members - can be seen and heard clearly. ClickShare Conference ensures collaboration, immediately sharing your apps wirelessly on the room display and automatically connecting to the Videobar VB1 camera and speakers. Make instant wireless conferencing simple and easy.

The Videobar VB1 equips conference rooms for up to 10 people with premium audio and video and works together with the ClickShare Conference CX-30 seamlessly. The joint solution requires minimal set-up and is easy to use: it all happens wirelessly from your laptop. Moreover, it is compatible with most unified communications & collaboration (UC&C) platforms. Together we deliver a consistent, premium performance making interactions more natural, and meetings more productive so everyone feels more connected and engaged.
