- Architectural Edition Available

Nerthus is a deity, associated with prosperity and peace. She is also the sister of Njord and the mother of Freya. This new Barco Residential flagship projector is part of the Series 4 platform, which is then combined with Alchemy, creating a very smart, easy to use projector.

Nerthus is exclusively created for high-end home theaters, with 32,000 lumens, more contrast, covering 100% of the REC.2020 color gamut. It features the latest native 4K DLP Cinema® chips from Texas Instruments and the acclaimed Barco Alchemy ICMP-XS (Integrated Cinema Media Processor).

The result? A custom-designed residential cinema projector with enhanced contrast for the ultimate image quality. Nerthus is available with a wide range of lenses, offering you the freedom of flexible installation. Play either DCI encrypted content or your favorite 4K HDR consumer content via HDMI 2.0 with HDCP 2.2.

## Cinema at Home

As the opening credits roll, the audience is transported into an unexpected world of superior movie realism, embraced by ultimate image quality and immersive sound. This compelling universe is created by Barco Residential's Nerthus projector.

## Brilliant Image

Nerthus brings native 4K resolution, higher contrast and enhanced uniformity into the finest residential theaters. 5000:1 extra high contrast provides pristine

viewing. The Barco Active Image Management™ and its patented precision brightness technology guarantees flawless images with automatic white balance..
