

EssentialCare for Surgical imaging

Protect your surgical efficiency

- Maximize the uptime of your surgical displays
- Benefit from proactive, data driven support
- Avoid downtime with upfront replacements

With the growing demands on healthcare organizations today, physician productivity is key. Our EssentialCare program for surgical displays is designed to optimize your investments, and assure surgical efficiency.

EssentialCare helps you mitigate the risks associated with unplanned downtime, unbudgeted costs and outdated technology. Rest assured with:

- Priority support (with a response time of max. 4 hours)
- Next business day swaps
- Transport in both directions included

Maximize the uptime of your surgical displays, and optimize the life of your display investment!

ExtendedCare: prolong the lifetime of your display as well

Add ExtendedCare to your service plan as well, and prolong your display's lifetime:

- Extend the warranty of your products with 2 years
- Avoid downtime or unplanned expenses
- Rely on continued technical support

Some service offerings may not be available in all regions. For availability of services in your country, please check with your Barco Sales representative
