

# Live support for weConnect

Deliver stunning virtual events with weConnect live support

- **Stay focused on your audience**
- **Create a lasting positive impact**
- **Leverage the full potential of weConnect for your event**

Stay focused on the message and on the interaction with your audience while our weConnect live support team handles all practical aspects in the background, either fully remote or on-site during the event. We can help you:

#### Before the event

- General alignment with your team, advice on best practices and overview of available weConnect features
- Event scheduling and enrollment options
- Rehearsal support (1-hour)

#### During the event

- Start the meeting, load presentation, verify audio/video parameters, set-up recording, make sure presenters join successfully
- Run polls, manage Q&A and chat
- Answer technical questions and make sure the event runs flawlessly
- Event scheduling and enrollment options
- Rehearsal support (1-hour)

After the event

- Provide attendance report, Q&A summary and polling results
- Provide recording in preferred format
- Event scheduling and enrollment options
- Rehearsal support (1-hour)

Some service offerings may not be available in all regions. For availability of services in your country, please check with your Barco Sales representative
