ClickShare X-Display 65"

ClickShare X-Display, designed around your laptop (BYOM), integrates advanced audio, video, and display capabilities to deliver a seamless hybrid meeting experience.

- 16 Microphone array with a 12-meters range for precise audio capture
- Al-driven noise reduction, Al sound masking, and echo cancellation
- High-quality, immersive stereo sound
- 4K 50-megapixel ultraclear camera
- 400nits high-brightness anti-glare display for clear visibility
- Expandable with a variety of third-party peripherals

ClickShare X-Display is a cutting-edge solution that integrates audio, video, display, and collaboration features, designed to elevate hybrid working environments. Featuring a 16 Microphone array and a 4K 50-megapixel high-definition camera, it guarantees a superior audio-visual experience. Fully compatible with major cloud platforms and devices, it ensures a seamless, efficient, and stable meeting experience with minimal setup required.
