

# Next-gen ClickShare Button

The iconic ClickShare Button experience, now with next-gen performance

- **4K content sharing for highly visual, impactful meeting experiences**
- **Better internet speed with Wi-Fi 6E for smooth collaboration**
- **Guest-friendly, one-click sharing via USB-C DisplayPort™; no software or driver downloads needed**
- **Secure and stable connection for uninterrupted meetings**
- **Compatible with all major operating systems**

The enhanced ClickShare Button 5th gen brings you the same simplicity you know — now powered with smarter technology and sharper performance. Just plug it into your laptop to instantly share ultra-high-definition content or join video calls wirelessly. With a focus on ease, speed, and visual impact, it's designed to boost every meeting experience and enable crystal-clear presentations with zero friction.

Expected to be available end of 2025.
