- Enhanced security
- Connected and cloud managed
- Delivered with 2 Conferencing Buttons, can also be used with Desktop App.
- The first new-normal-ready intelligent video bar
- Professional-grade

Most of us spend hours every week in meetings and conference calls. So why not make sure you're getting the most from your BYOM experience, with Jabra PanaCast 50 and Barco ClickShare Conference?

With our combined solutions, starting your next meeting couldn't be simpler. Just walk in and connect – with one click – and enjoy a better, faster hybrid collaboration experience, that keeps everyone clearly in the picture from anywhere. With a stunning Panoramic-4K field-of-view, powerful beamforming microphones, Intelligent Zoom, and the tools to easily manage the meeting from your device, PanaCast 50 is a meeting experience unlike any other on the market.

ClickShare Conference allows you to collaborate wireless and seamless with all the participants in your videocall. It's time to introduce a whole new level of engagement and productivity to your hybrid meetings.

PanaCast 50 & ClickShare CX-30 bundle

Using Jabra PanaCast 50 with ClickShare Conference allows you to collaborate seamlessly with all meeting participants, allowing you to turn any meeting room a BYOM room. The first video bar to combine world-leading Jabra audio with the unique 180° field-of-view and room usage & safety guidance insights, PanaCast 50 delivers more collaborative, inclusive meetings.

PanaCast 50 connects wirelessly to the ClickShare Base Unit, minimizing clutter, while Intelligent Zoom naturally includes everyone in the frame, however far apart they're sitting.
