

EssentialCare for Surgical imaging

Protect your surgical efficiency

- **Receive remote access to technical support expertise**
- **Assure the quality of your surgical solutions without losing time**
- **Stay current with the latest features and software**

With the growing demands on healthcare organizations today, physician productivity is key. Our EssentialCare program for surgical displays is designed to optimize your investments, and assure surgical efficiency.

EssentialCare helps you mitigate the risks associated with unplanned downtime, unbudgeted costs and outdated technology. Our experts are fully trained and certified on the latest market developments. With EssentialCare, you can rely on priority service support and fast issue resolution.

Rest assured with:

- Technical support
- Priority service support (with a response time of max. 4 hours)
- Next business day swaps
- Prioritized transport in both directions included
- Up-to-date equipment

Maximize the uptime of your surgical displays, and optimize the life of your display investment!
