Certificate BE04/13344

The management system of

Barco NV

Beneluxpark 21, 8500 Kortrijk, Belgium

has been assessed and certified as meeting the requirements of

ISO 9001:2015

For the following activities

- Cinema

Immersive Experience Meeting & Learning Experience
Large Video Wall Experience
The Meeting & Learning Experience and Large Video Wall Experience businesses
design, develop, manufacture, sell, install and service:

- networked visualization system solutions (composed of large screens, control ware and application software) for process critical visualization applications in dedicated enterprise markets such as utilities, process control, telecom, command & control, broadcast, traffic & surveillance
- networked visual collaboration solutions for Corporate meeting rooms and Education
- LED products.

The Cinema and Immersive Experience businesses design, develop and manufacture digital projectors, Image Processing products and peripheral products
for large screen visualization in such markets as Digital Cinema, ProAV, Events, Training Simulation, Virtual Reality, High End Residential and Retail & Advertising. These products are sold both directly to the end user, dealers, installers and rental partners. In selected regions, Barco NV also installs and services these products.

This certificate is valid from 13 February 2023 until 16 November 2025 and remains valid subject to satisfactory surveillance audits.

Issue 15. Certified since 15 February 2005
Certified activities performed by additional sites are listed on subsequent pages.
