ClickShare.
The ultimate collaboration experience in just one click

Love meeting

BARCO

Hello, ClickShare!

ClickShare is Barco's award-winning wireless meeting room system for effortless video conferencing, collaboration, and presentation. Whether you're in a huddle space or a boardroom, ClickShare empowers hybrid teams to connect, share, and collaborate with ease.

Start meetings instantly with the ClickShare Button, App, or Control Panel.

No cables, no hassle - just intuitive, secure, and seamless collaboration.

Flexible solutions for IT managers, with high standards for security, sustainability, and network integration.

3 ways to meet with ClickShare

1.
Room systems for wireless video conferencing

2.
Modular or all-in-one wireless conferencing solutions

3.
Wireless presentation solutions for effortless content sharing

Empowers you

Feel seen. Be heard. Stay connected.

ClickShare helps everyone feel included, whether they're in the room or joining remotely. It's about more than just sharing content. It's about creating meetings where people can truly connect.

See and hear everyone clearly

Display remote participants next to content for more natural interaction.

Present from anywhere

Move freely, share quickly, and present from anywhere in the room with a click using the Button, App, or Control Panel.

Collaborate actively

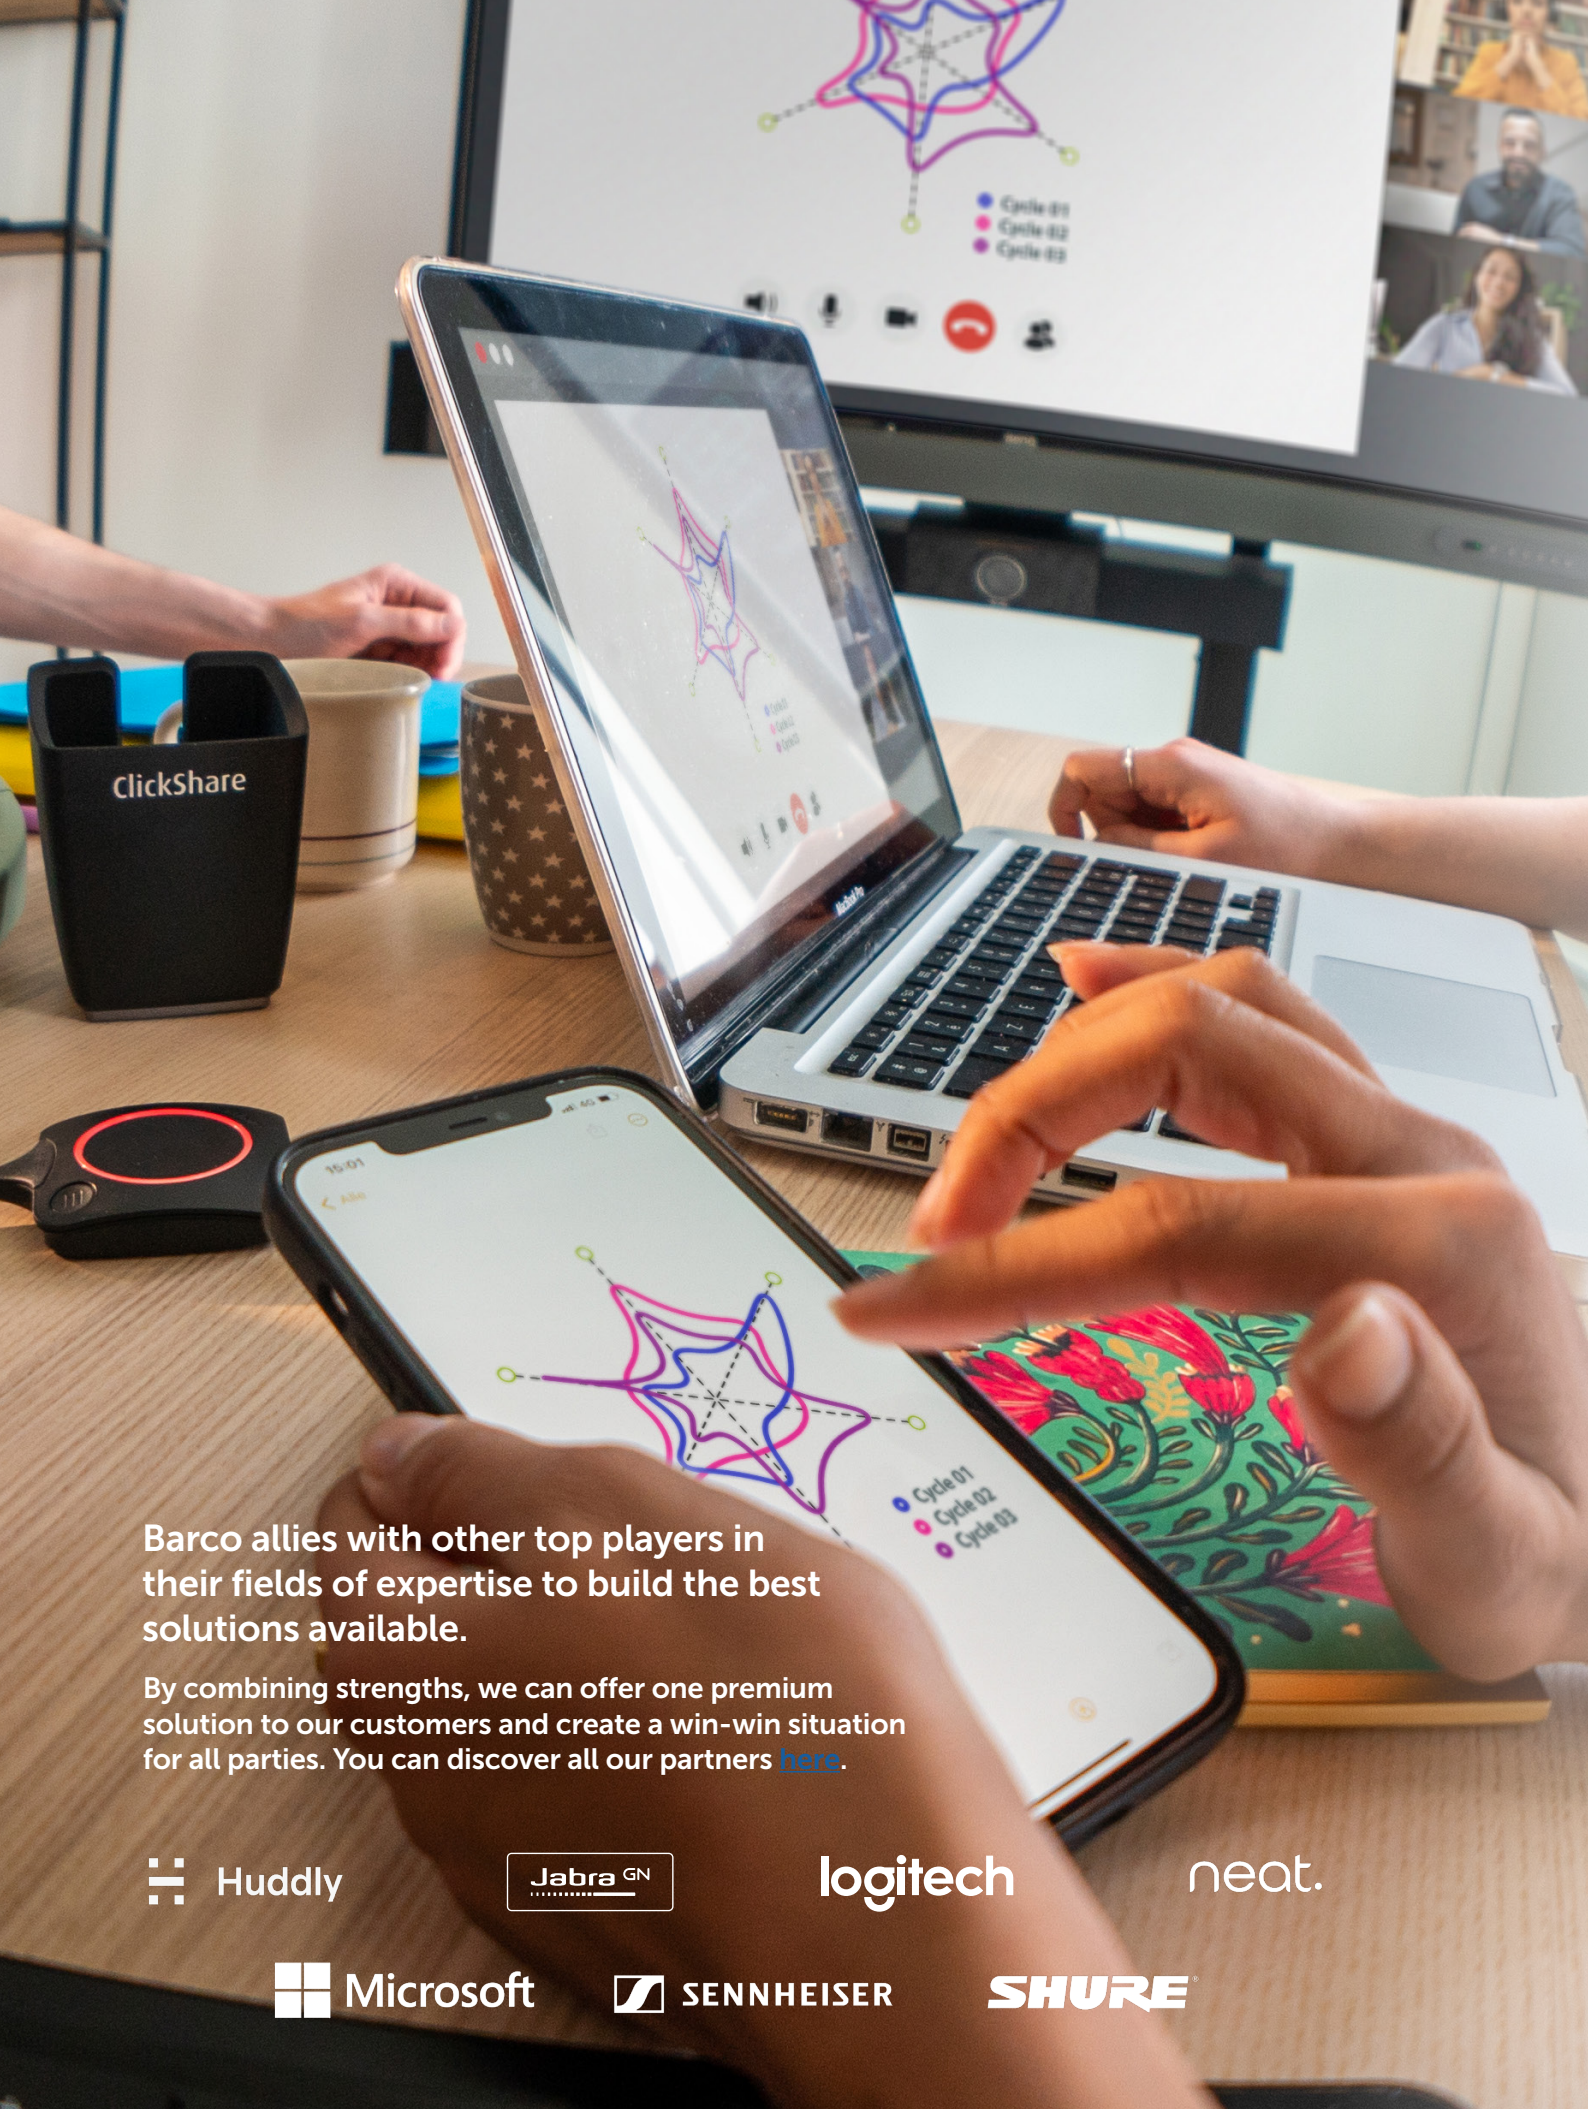

Use touch-enabled displays to annotate, sketch, and co-create.

Work your way

ClickShare supports BYOD, no-laptop policies, scheduled or ad-hoc meetings, and room systems. Whether you're presenting in person or joining remotely, ClickShare ensures everyone has a seat at the table.

Makes your life easy

Start meetings in seconds. No training required.

With ClickShare, running high-quality meetings from your laptop is quick, easy, and effective. No hassle with passwords or cables, only effective collaboration and meaningful connection.

Start meetings in seconds. No training required.

ClickShare is built for simplicity so your teams can focus on what matters.

Connect in under 7 seconds

Just plug in the Button or open the App.

No learning curve

Even first-time guests can share or join a call with confidence. ClickShare takes the guesswork out of meetings with intelligent automation.

Smarter meetings flows

Smart features for seamless meetings.

Let the ClickShare App do the thinking. From checking room availability to sharing content, Smart Meeting Flows guides you every step of the way.

Room availability

Know instantly if the room is free .

PresentSense

Auto-connect via App or Button.

HostFlow

Step-by-step guidance for hosts and participants.

Advanced sharing

Share full screen or a single window while keeping notes private.

ConferenceView

Keep remote participants visible while presenting.

Has you covered

Secure. Sustainable. Supported.

ClickShare is built with IT and AV teams in mind. It's easy to deploy, simple to manage, and ready for the future. From airtight security to real climate action, we've got you covered.

Secure by design

ClickShare is one the most trusted wireless collaboration tools on the market. With ISO 27001 certification, encrypted communication, and a zero-trust architecture, your data stays protected. Always. Regular firmware updates and configurable security levels ensure your setup meets the highest standards.

Sustainability built in

ClickShare leads the way in sustainable meeting room tech. From energy-efficient performance to recyclable packaging and trade-in programs, we help you meet your company's green goals without compromise.

A sound, futureproof investment

ClickShare is more than a device – it's a long-term solution that grows with your business.

Support that sets us apart

Every ClickShare device comes with our free extended warranty, direct access to Barco experts, and zero replacement costs. Just activate within 6 months - no hidden fees, no surprises.

Activate SmartCare within 6 months for extended warranty and peace of mind, free of charge.

Love meeting
