

## 4 reasons to update your ClickShare with the September software release

Make your hybrid meetings flow with the latest ClickShare software update

**1.** Walk in and connect to the room with PresentSense.

**2.** Enjoy the magic of wireless conferencing with the ClickShare App. Button or App, it's your choice!

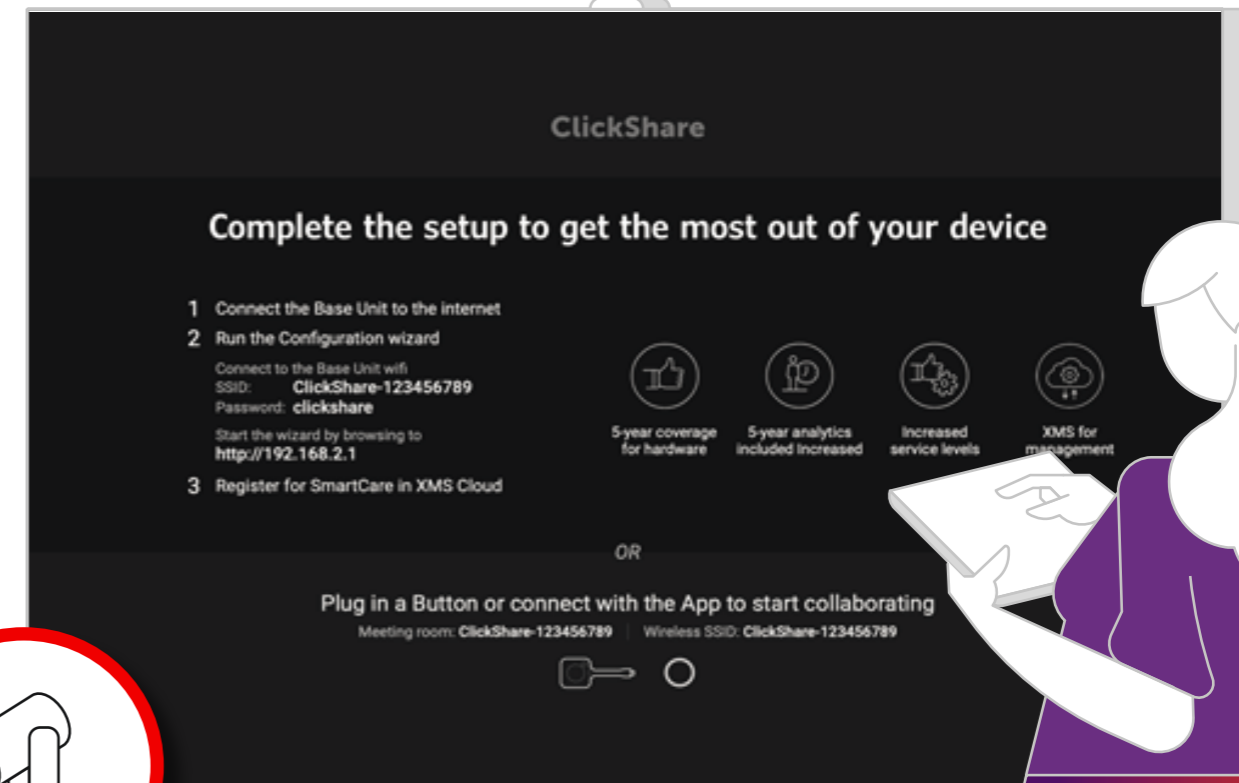

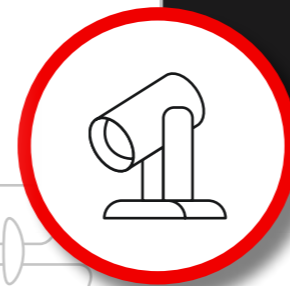

**3.** Save time with an improved setup & registration flow for units with a new configuration wizard

**4.** We're supporting additional partner products:

- Logitech Rally Bar
- AVer CAM520 Pro2
- AVer VB130
- AVer VC520 Pro2
- Yamaha Adecia

Be sure to register your ClickShare Conference or Present unit to unlock 5 years of SmartCare coverage!

**Where to download?** Check our step-by-step guide on

[www.barco.com/clickshare/firmware-update](http://www.barco.com/clickshare/firmware-update)

Download and install the latest version of the ClickShare App on [www.clickshare.app](http://www.clickshare.app)

Managing ClickShare can be centralized with XMS Cloud Management Platform.
