

Maximize the potential of your employees

to ensure real business impact with Barco weConnect

We were looking for real-life remote learning technology that would have a big impact. Barco weConnect fit our requirements.

Ben de Witte, Director iMEP Nipro Europe

Barco weConnect is a collaboration platform purpose built for training and learning. It enables you to train your workforce successfully, globally and sustainably, while not compromising on instruction quality, engagement, and desired learning outcomes.

It's suitable for both virtual and hybrid training, easy to install and to use. Plus, you can rest assured our knowledgeable and reliable team will always support you on your journey to transforming your L&D initiatives.

BARCO

weConnect will help you

train and engage your workforce globally, flexibly and sustainably

The trainers love it, they feel like they are taking part in a proper training event that is operating in three dimensions.

Tim Tyler, Head of Qualifications for ICA

1. Successfully upskill and reskill your employees for a future-proof organization

- **Organize live training sessions** in which the instructor trains like they're used to. weConnect is easy to use and enhances natural facilitation skills.
- **Unlock the power of data.** Take advantage of user analytics to optimize future classes and learning outcomes.
- **Motivate, retain and grow your talent** pool by providing development opportunities.

2. Deliver flexible training programs in the hybrid workplace

- **Enjoy high employee satisfaction** by offering the flexibility they desire in the hybrid office.
- **Go hybrid or virtual effortlessly and seamlessly** with the same weConnect solution. Switching setups requires minimal adjustments.
- **Improve your diversity, equity and inclusion efforts** by offering training programs that employees everywhere can access.

3. Support and engage your participants at all times

- **Never lose sight of the audience** thanks to our studio-based setup and enhanced breakout rooms. Always see participants and offer support.
- **Offer a captivating visual experience.** Participants enjoy multiple streams of content, thanks to multiple cameras onsite.
- **Maximize attention and retention** by sharing interesting, interactive content such as videos, polls and quizzes etc.

4. Foster connection and collaboration, regardless of location

- **Enable natural interactions and in-depth collaboration** thanks to the weConnect enhanced breakout rooms (virtual or hybrid), chat, whiteboards, content share, and more.
- **Keep employees connected** to each other and immersed into that company culture you are so proud of.
- **Organize other internal initiatives** with weConnect, such as virtual or hybrid onboarding sessions, all-hands meetings, internal events.

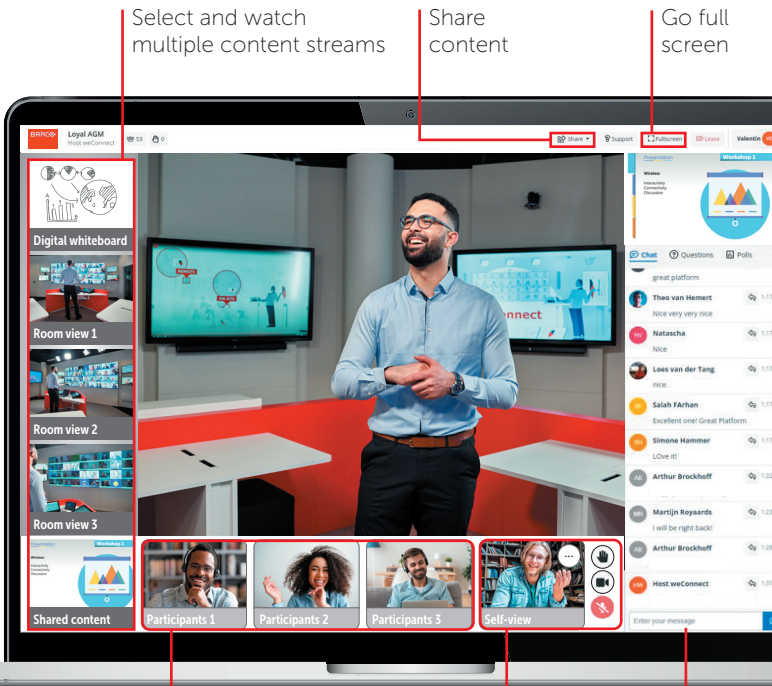

5. Delight all stakeholders

- **Stay cost effective.** Removing or reducing costs on space, travel, accommodation or paper usage make virtual and hybrid learning more budget friendly.
- **Reach your sustainability goals.** The above will also lower CO2 emissions by reducing energy-consuming utilities and services.
- **Enjoy a hassle-free, bespoke solution** thanks to our team and partners. The weConnect functionalities are powerful and user friendly requiring minimal guidance.
- **Take advantage of our services.** Our team is always happy to help with a wide range of services: installation, adoption training, dedicated support and more.
- **Enjoy full security.** Rest assured your data and systems are secure thanks to the SOC 2 environment, secured authentication and network integration, and more.

The early feedback we have received is positive, with praise for the two-way interaction with the instructor and attendees.

Thomas Mount, Chief Technology Officer, Wilmington plc
