

ClickShare Logitech Room Solution - Medium

Proven and easy-to-buy room solution for medium rooms combining wireless conferencing and video collaboration

- Full BYOD support
- Collaborate remotely
- Full interactivity
- Works with your device, your conferencing platform (UC) and your brand of peripherals
- Enhanced security
- Connected and cloud managed
- Delivered with 2 Conferencing Buttons
- Collaborate with Conferencing Button or Desktop App
- Premium Ultra-HD conferencecam system for mid-size rooms

Logitech Room Solutions for Barco ClickShare include everything you need to equip conference rooms with one display. The medium room configuration is an easy-to-buy and easy-to-set-up system including one ClickShare Conference CX-30 unit and a Logitech Rally camera and Rally Mounting kit. Neatly packaged and ready to plug in and use with a setup guide that shows you how components fit together.

The Logitech Room Solution for Barco ClickShare Conference - Medium room includes everything you need to equip medium conference rooms up to 10 seats. You need only one box to enable wireless conferencing in your company.

This easy-to-setup system includes one ClickShare Conference CX-30 unit, two ClickShare Conferencing Button, a ClickShare Tray, a Logitech Rally conference camera and Logitech Rally Mounting kit.

As rooms get bigger, tables grow longer and people sit further away from the camera. That's why the medium room solution features a Logitech Rally, a premium conferencecamera that pairs ad advanced camera with modular audio that scales to support rooms for up to 10 seats.
