

# Enhance your MS Teams and Zoom experience with latest ClickShare Conference Software update

## One Click to join:

With just one click in the ClickShare App you join the next virtual Microsoft Teams, Zoom or Webex meeting in your agenda

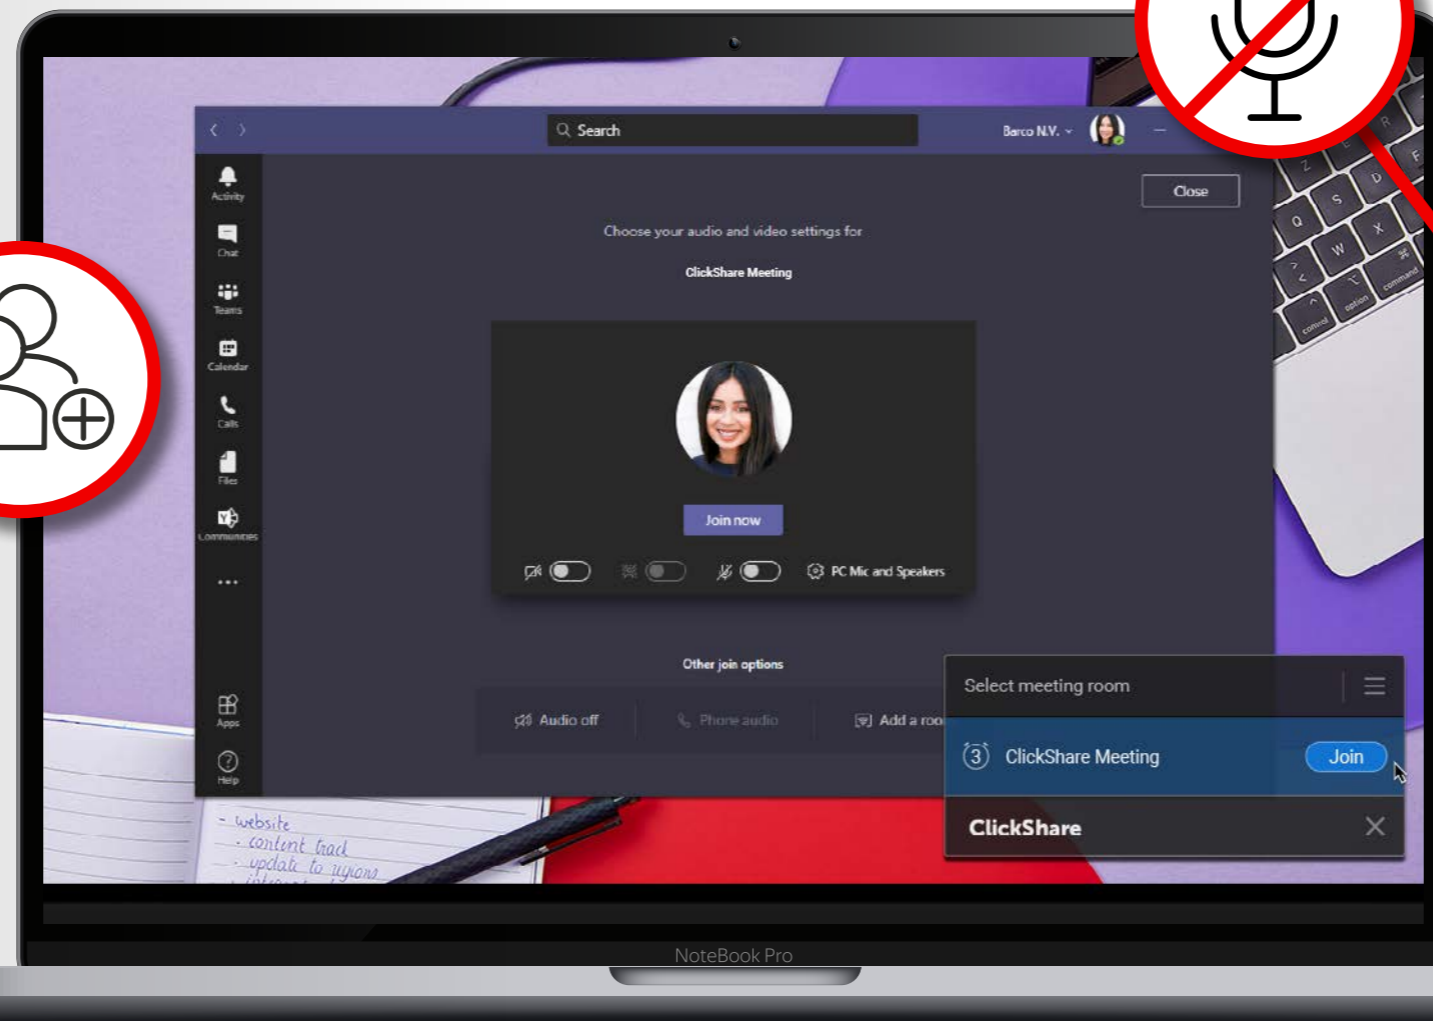

## One Click to share:

Share content in your video call and ClickShare automatically shares the same content to the meeting room display.

Enhance your Microsoft Teams, Zoom or Webex experience in the meeting room. Simple, easy, wireless. That's how ClickShare Conference shares the apps from your laptop on the room display and connects them wirelessly to the camera and speakers for better hybrid meetings.

## One Click to sync:

One click to sync audio and video in your meeting and to sync mute and unmute in both your VC App and room peripherals.
