

# Logitech and ClickShare solutions

Delivering premium wireless video conferencing experiences

Certified for  
**ClickShare**  
Conference

**BARCO**

**Your team needs to be able to make quick business decisions, from anywhere. With any UC&C solution. In any type of meeting room.**

Barco ClickShare, leader in wireless presentation and conferencing, and Logitech, leader in AV peripherals, have joined forces to offer the best solutions for wireless videoconferencing on the market. Based on the concept of Bring Your Own Meeting (BYOM), these solutions combine Barco ClickShare wireless conferencing products (from the CX family) and Logitech video conferencing products (MeetUp and Rally Family) for conference rooms of all sizes and set-ups. In addition, we offer premium wireless conferencing and presentation solutions for rooms that are already equipped with an existing room system.

Collaboration becomes effective, secure, seamless. With our joint solutions for hybrid video conferencing, you are always assured of the highest quality with the greatest user-friendliness in any meeting space.

# Logitech

Logitech designs products that have an everyday place in people's lives, connecting them to the digital experiences they care about. More than 35 years ago, Logitech started connecting people through computers, and now it's a multi-brand company designing products that bring people together through music, gaming, video, and computing. Brands of Logitech include Logitech, Logitech G, ASTRO Gaming, Streamlabs, Ultimate Ears, Jaybird and Blue Microphones. Founded in 1981, and headquartered in Lausanne, Switzerland, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI).
